

The year of the competition.

1. The topic for the Case Competition was "Reducing Disparities in Cancer and Chronic Disease: Preventing Tobacco Use in African-American Adolescents".

2-4. The club does not keep a record of ethnicity. Records indicate that the year of the competition, we had 142 members:

Class:

9.2% 1/C

17.6% 2/C

23.2% 3/C

50% 4/C

Gender

51.4% Female

48.6% Male

Athletics

28.4% Varsity

10.6% Club

20.6% Intramural-exempt ECA

40.4% Intramurals

5. 23 midshipmen in the Class of 2018 applied for the Medical/Dental Corps billets. Club membership is not required for medical/dental corps acceptance.

- The Premedical Predental Advising Committee recommended 17 Midshipmen for Medical/Dental Corps billets from the Class of 2018 (12 Principals and 5 Qualified Alternates).
- Ultimately, 14 Midshipmen from the Class of 2018 were commissioned into Medical/Dental Corps and allowed to enter medical/dental school in 2018.
- Twenty of the 23 applicants for the billets self-reported they were members of the Navy Medicine Club. However, the three non-members still attended the Club's meetings as attendance is not conditional on membership in the Club.
